REMARKS

Mail Stop PATENT APPLICATION Commissioner for Patents P.O. Box 1450 Alexandria, VA 22313-1450

Sir:

The above-captioned application is a divisional of application number 09/756,301 filed on January 8, 2001 to which priority is claimed under 35 U.S.C. §120.

The specification of the present application is substantially the same as that of the parent application. The Related Applications paragraph has been revised and updated to include the parent application and the current status of related applications.

Claims 1-55 (pages 156-163) have been omitted and Claims 1-29 (pages 156-159) have been added as new claims sequentially beginning with Claim 1.

The "Sequence Listing" (sheets 1/9 through 9/9), comprising SEQ ID NOS: 1 through 30 in paper form for the above-referenced patent application as required by 37 C.F.R. §1.821(c) and a copy of the "Sequence Listing" in computer readable form as required by 37 C.F.R. §1.821(e), are being filed concurrently herewith.

Please insert the attached "Sequence Listing" into the application.

The Sequence Listing is not identical to the Sequence Listing originally filed in application number 09/756,301. Sequences have been added to the Sequence Listing to include sequences disclosed in the originally filed Figures 27 and 29. In addition, corrections were made to the organism designations and coding regions of certain sequences. The Sequence Listing is substantially identical to the Substitute Sequence Listing filed in application 09/756,301 on January 21, 2003. No new matter has been added.

As required by 37 C.F.R. §1.821(f), Applicants' Attorney hereby states that the content of the "Sequence Listing" in paper form and the computer readable form of the "Sequence Listing" are the same and, as required by 37 C.F.R. §1.821(g), also states that the submission includes no new matter.

No new matter has been added. As such, copies of the Declarations/Powers of Attorney filed in the parent application are being filed herewith.

Respectfully submitted,

HAMILTON, BROOK, SMITH & REYNOLDS, P.C.
